Description of Mailing: _____

This is a single drop mass mailing to be mailed at the following rate:

☐ **First Class** First class rates may be used on all mail pieces weighing 70 pounds or less. Postage costs for this mailing will be listed on your monthly House Postal Operations (Pitney Bowes Management Services) postage statement.

☐ **Standard Mail** Standard Mail rates are bulk rates, and each mailing must meet a minimum quantity of 200 (qualifying) pieces. There are no single-piece Standard Mail rates. House Postal Operations can only process letters as Standard Mail. Postal Operations can not send flat Standard Mail. Unlike First-Class Mail, there is no separate Standard Mail card rate (cards are mailed as letters or flats/non letters). House Postal Operations will prepare a USPS 3600-PM or 3602-R Form, as applicable, and will provide a copy to your office. If a mass mailing is sent first class mail rate, Postal Operations will also provide your office with a printout of the breakdown of the mailing by presort levels. Postage costs for this mailing will be listed on your U.S. Postal Service Monthly Mail Statement.

Note for Election Cut-Offs: ALL Standard Mail is processed and postmarked the following day.
